

# PLAY GUIDE C: WINNING THE GAME

Please refer to the picture P21

**This section is under review**

Please note: the latest game version uses start cards instead of a hexagonal board.

## 1) Winning the game

**P21 Start ( and finish) for winning the game**

To win the game your set up must be with a complete path, as shown above. You win , If on your turn you play then end your turn as usual and your path remains intact, your playing piece stays put and you still hold at least one token.
